2015 EARLY ORDER HOLIDAY CATALOG

About Good Tidings

Welcome to the Good Tidings 2015 catalog! Our entire product line has been completely reviewed and updated and we are excited about our extensive selection in all categories. We're sure you'll find everything you need to create a first class Holiday department in your store.

Good Tidings' Light Sets are packaged to sell and provide a complete lighting program. We offer the best light set warranties in the industry. Our LED lighting program is greatly expanded as is our Outdoor Décor category.

Our Twelve 25 trees are constructed of the finest materials with metal hinges and metal stands and come with a limited 10 year warranty. We also offer coordinating wreaths and garlands and a full selection of decorated wreaths and garlands.

Our Trim-A-Tree selection includes tree skirts, stockings, and tree toppers. Trim-A-Home offers tabletop décor and nativity sets. Our accessories include electrical cords, hooks & clips, window candles, replacement bulbs, and tree stands.

Halloween and fall has also been completely updated. Our collection of scarecrows, witches, and ghosts will complete your fall department. We also have Thanksgiving items, harvest wreaths, and pumpkins. Halloween lighting has been greatly expanded and we have an outstanding selection of novelty lights.

We're sure you will enjoy our 2015 selection and hope you have a successful 2015 selling season!

Never Fail Tree Stand

The C-144 is the largest of our line to date. It is designed to hold trees up to 12' tall (larger if attached to plywood using reinforced holes at outer edges of stand). The low-wide reservoir accommodates low branches, spill guard prevents over-filling mishaps. 6.8 pounds of virgin, high-impact polypropylene make up the stand body to assure durability and reliability. (In most cases, this is twice the amount our competitors will use.) Steel spikes in center of reservoir anchor tree, preventing shifting and making set-up a snap.

Quick Set Greenland Tree

Greenland tree comes with Quick Set technology that allows the tree to be set up in less than five minutes. The electricity is in the pole of the tree, so you don't have to connect light sets for each section. Quick Set trees are constructed with Perfect Shape Technology allowing the branches to spring into shape. Quick Set trees are pre-lit with SureBright lights, when one light burns out, breaks or loosens, the rest still stay lit. Quick Set trees are flame retardant and come with a sturdy tree stand. Incandescent clear lights.

Santa Tree Fountain - Automatic Christmas Tree Waterer

Easy to use. Place the Santa Tree Fountain by the side or rear of the Christmas Tree and connect end of the hose in the bottom of the tree stand. Fill the Santa Claus shaped water bottle and invert it in the Santa Tree Fountain. Water will automatically flow from the Santa Tree Fountain into the Christmas tree stand until the water in the tree stands 2" deep. Flow of water will automatically shut off. As the tree drinks the water, Tree Fountain refills automatically. When the tree drinks the water , the Santa Tree Fountain will automatically refill it back up to the 2" level.

Santa Sno Blower

Delivers a natural look, highlighting the tips of evergreen branches, accenting wreaths and centerpieces. It's the choice for larger applications of spray snow; however, it is not designed to fully flock trees. The unique spray nozzle provides greater directional control, focuses the spray, and minimizes cleanup. Removes easily with a cloth and ammoniated glass cleaner. Use indoors and outdoors. Unique spray nozzle.

Spray Glitter

Adds sparkle to special-occasion and seasonal items. Convenient one-step spray includes both the adhesive and glitter. The superior adhesion is effective even on irregular surfaces like wreaths, baskets, fresh and dried floral arrangements. Decorates any craft item. Easy to apply. Conforms to ASTM D4236. VOC compliant in all states.

Champion Sprayon Metallic Gold Paint

High-quality, all-purpose spray enamel. Provides a brilliant finish on new surfaces and restore worn or dull surfaces. For a long-lasting surface outdoors, finish with clear acrylic or lacquer. For a long-lasting surface indoors, finish with polyurethane. Dry Time: 8-15 minutes to touch, then apply top coat anytime. Cleanup: Mild solvent (mineral spirits, turpentine, paint thinner)
